Registration Form
Contractor Rebate Program – Private Networks
2009 Edition

Scope:

Private Network contractors who use Draka fiber cable products will be eligible for a 2009 end-of-year rebate. This cash rebate is paid directly to the contractor from Draka. Draka's Private Network Contractor Rebate Program is one of the simplest rebate programs in the industry. This program is limited to Private Network fiber projects only.

Recap of the Program:

1. Complete this *Contractor Registration Form* and submit it to Draka.
2. Utilize Draka fiber cable products in your Private Network projects.
3. Purchase Draka fiber cable from a Draka approved distributor.
4. Work with Draka or your distributor on the easiest method to track your Draka fiber cable purchases throughout the year. Ensure your records are available for Draka's review no later than February 28.
5. Receive your rebate by March 31.
6. Renew this *Contractor Registration Form* each year.
